18 October 2026

Church Action
on Poverty
Sunday

**Thank you for taking part in
Church Action on Poverty Sunday!**

**Across the UK today, thousands of us in more
than 80 churches are giving, acting and
praying together, to deepen our shared
commitment to justice.**

**We are reflecting on the role of food in
nurturing faith and fellowship, both in the
Bible and our communities today... and
hopefully you're having some exciting
conversations about next steps that your
church might take.**

**We support many churches to do amazing
work with people living in deep hardship, and
your support means we can reach even more
churches and communities. Thank you!**

Church Action on Poverty is a social justice charity, inspired by the Christian call to challenge unjust structures.

We support people in hardship to dig deep into the causes of poverty in their own lives and communities, and we support them to to be seen and heard where they can make a difference - working with our churches, the media, and politicians to find solutions together.

There are big challenges, but we believe in the power of the church and we are full of hope. That's why we equip churches and Christians to take local action and to work for wider social justice.

**The prophet Amos wrote: Let justice roll on like a river.
That's what we strive to do. Will you join us?**
